CSP- PAYMENT QUERY

From the **Equipment** Menu, click on "Payment Query"

That option allows to view the storage and line storage fees owed on a container, up to the "paid thru date"

Enter a container number or a list of container number and hit search.

Field "Paid Thru Date" is set to the current date but can be changed

If the container is found, informations are showed for each container separately. The total charge for each container is at the far right of the screen.

If container is not found or has no charges, the system displays the message:

"No Charges outstanding for TTNUxxxxxxx"
